

SECTION 14.0
SURVEY CONTROL NETWORK

14.1 **Installation**

14.1.1 The Developer shall be responsible for the design and installation of the required system of survey control monuments within the developed area.

14.1.2 A registered Alberta Land Surveyor shall be retained to design and install the system in accordance to density requirements set out by Alberta Transportation and Utilities, Surveys and Property Branch.

14.2 **Acceptance**

14.2.1 After completion of monumentation, a letter certifying acceptance of the system from Alberta Transportation and Utilities shall be forwarded to the Town.

14.3 **Replacements**

14.3.1 The Developer shall undertake to preserve all existing and new monuments, and duly replace any disturbed or destroyed monuments at as close a location to the original as possible.
